

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **George Edward Lyons v Ivo Marcich**
Docket No. **267969**
L.C. No. **04-021106 CK**

E. Thomas Fitzgerald, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is DENIED because this Court has the inherent authority to deny a motion to waive fees to curb serious abuses by persons filing motions to waive fees. See *In Re Washington*, 480 US 180; 103 L Ed 158, 109 S Ct 993 (1989). The appellant has filed numerous cases in this Court over the last two years. This is appellant's third appeal from the same order. Furthermore, this Court has already denied an earlier application for leave to appeal for lack of merit from the same lower court order. See docket number 264974. When this Court returned appellant's motion for reconsideration in docket number 264974, appellant responded by filing this application for leave to appeal. This application does not cite any legal authority, but simply contains numerous unsubstantiated allegations.

Appellant shall pay to the Clerk of the Court within 21 days of the certification of this order, the entry fee of \$375., the motion fee of \$100. for the motion to waive fees, and \$200. for the "emergency motion" for a total of \$675. Failure to comply with this order will result in the dismissal of the appeal.
